PWA Allots $71,000 Grant To Port Here

Hearing on Bond Test Set for November 9 By Supreme Court

Grant of $71,235 to the City of Redwood City toward terminal port facilities in Redwood City Harbor was given final approval Tuesday by the Public Works Administration (PWA) in Washington, D. C.

Word of the success of the city's plea, which was made by Acting City Manager C. L. Dimmitt last fall, came Tuesday from U. S. Senators William Gibbs McAdoo (D., Los Angeles), and Hiram Johnson (R., San Francisco), and Congressman John J. McGrath (D., San Mateo).

As PWA's legal, engineering and fiscal examining divisions had long since given their approval, it was taken to mean that the actual funds will soon be made available to Redwood City.

Little activity had been noted during recent months in PWA circles, and it was not certain just when additional grants, if any, would be made.

No work will actually take place on the port project until the District Court of Appeal, First Appellate District, San Francisco, rules on the validity of the $266,000 harbor bond issue voted here last June 11.

The city council pledged reduction of the $266,000 issue by $66,000 if the PWA grant was secured, so that the cancelation of that amount of bonds is expected to be forthcoming.

Test of the bonds in the supreme court follows the usual procedure in such cases. Until the legality of the bonds is established and the sale of the bonds produces the necessary cash, no work will be undertaken. First work will be the dredging, to cost $188,000, and to be divided $94,000 each to the city and the government. Next will come the terminal facilities, on which $71,235 will be paid by the United States and $100,765 by the city.

Hearing on the city's test of the validity of the bonds will come November 9 in San Francisco, Mayor Paul McCarthy informed the council here last night.

Mayor McCarthy is soon to confer with Pacific Portland Cement Company officials on possibility of annexing that firm's property and adjoining acreage to Redwood City as part of the harbor development program.

Assisting McCarthy in the conference will be Councilmen Louis Christensen and Evans Fletcher.

PEYSER WILL LEAVES CASH TO CHARITIES

Retired S. F. Clubman Provides Bequests Totaling $50,000

Death of Charles George Peyser, retired wealthy San Franciscan, at 4 a.m. Monday in Mills Memorial Hospital will result in his estate, valued at more than $100,000, being distributed in large part to bay region charities, it was disclosed later on Monday when a petition for special letters of administration was filed in superior court by Daniel F. Gunsburger of Parrott drive, San Mateo.

Gunsburger, filing the petition through Atty. F. E. Hoffmann, said he desired the special letters in order to arrange funeral services for the elderly widower, who had no known relatives. Peyser and Gunsburger were friends of long standing. The former had come to San Mateo six months ago to live, but had been ill, confined to the hospital, for the past four months. Previous to coming to San Mateo he lived at the exclusive San Francisco Union League Club.

In the petition, Gunsburger states that Peyser bequeathed his estate to the following San Francisco organizations and individuals: Mt. Zion Hospital, Hebrew Orphan Asylum, Catholic Orphan Asylum, Protestant Orphan Asylum, Children's Hospital, Hebrew Home for the Aged, Hebrew Free Loan Society, Sophie Kahn, Tilly Levy, Mrs. Henie Koenig, Frank and Marie Bauman and Mr. and Mrs. Wilford May, and Mr. and Mrs. Gunsburger.

Attorney Hoffmann said the will would be filed for probate later this week. He declined to reveal details, other than to say some $50,000 would accrue to the charitable organizations. Much of the estate, it is understood, was in cash.

State Purchase Of Beach Lands On Coast Urged

Efforts to get the state to purchase public beaches along the new Ocean Shore highway were urged on the board of supervisors by the county planning commission today.

In a letter filed with the board from Planning Engineer Ronald Campbell, the commission asked the supervisors to try to get Joint Highway District No. 9, sponsor of the highway, to buy land adjacent to the highway wherever the center line of the new road is not more than 300 feet from the beach, providing, of course, that the property is not already built upon.

The property between the road and the surf thus would become a part of the highway right-of-way, and be available for public use.

Already the county itself owns more than four miles of beach land and has plans made for acquisition of more.

Cleanup Drive Reports Show Progress Made

Reporting "favorable progress" in their contacting of owners of ramshackle buildings, members of the civic committee co-operating in the city council's cleanup drive met at the city hall Tuesday night. Final reports of their efforts will be given at a meeting the latter part of next week.

Under the chairmanship of Mayor Paul McCarthy, eight of the 16 members of the committee, formed of five club and lodge representatives, gave preliminary reports on their progress in contacting owners of 40 pieces of property declared to be an "eyesore" to Redwood City.

The persuasion methods employed by the committee will be followed in cases where no cooperation is received by abatement proceedings, according to City Manager C. L. Dimmitt.

Theft of Butter Brings One-Year Sentence to Jail

Reversing his plea on the eve of a scheduled jury trial, Vincent Maguire, 32-year-old San Francisco trucker, today pleaded guilty to charges of burglarizing the North Palo Alto plant of the Golden State Company, Ltd., and the Millbrae Dairy plant.

Superior Judge Maxwell McNutt, before whom Maguire was brought by his attorney, Percy W. Jackson, to enter the plea, immediately sentenced Maguire to two one-year terms in the county jail, to run concurrently.

Judge McNutt gave Maguire credit for time served from the date of his arrest, July 17.

Maguire looted the North Palo Alto dairy plant of several hundred pounds of butter July 11, later selling it in San Francisco.

From the Millbrae Dairy he took seven 100-pound sacks of sugar June 20. He was seen both going to and returning from this plant.

In the court of Judge A. R. Cotton this morning was Frank Pagni, 25, who had been charged with robbing Battista Bello of $25 on February 27 after bringing him down the Skyline from San Francisco. Scheduled to go on trial this morning before a jury, Pagni was freed on motion of the district attorney, who explained that it had been impossible to secure witnesses to testify against the youth.

Ray Hayes Jr. Hurt In Fall From Bike

When the front wheel of his bicycle came off Tuesday on Hamilton street, Ray Hayes Jr., son of Mr. and Mrs. Ray S. Hayes, 1187 Cleveland street, was hurtled headlong to the pavement, incurring multiple concussions and abrasions of the head, knocking out a tooth and suffering a slight brain concussion. The youth, 12, a student at Mt. Carmel school, was given emergency treatment by Drs. Harry Mason and Robert Monteith at their emergency hospital.

Colma Crash Kills Youth

San Franciscan Dies, Stocktonian Badly Hurt in Smashup

San Mateo county's death toll from automobile accidents stood at 45 today following a smashup in Colma at 8:30 o'clock Sunday night in which one man was killed and another critically injured.

The dead man was Thomas G. McGlamery, 36, employe of the Marine Hospital in San Francisco.

He met instant death when his car, travelling north on Junipero Serra boulevard, collided with another driven by Walter Helferstine, 21, of Stockton, as the latter pulled onto the highway from a side road, highway patrolmen said.

Helferstine himself incurred a fractured skull. A passenger in his car, George McCollum, 20, also of Stockton, suffered bad cuts and bruises. Both were rushed to the nearby Villa Sanitarium.

McGlamery's body was taken to the W. C. Laswell Mortuary in Daly City. Coroner William Crosby investigated.

Mrs. Inez B. McGlamery, 32, wife of the victim, suffered slight injuries.

Owls Observe 23d Birthday

130 Italians Gather To Mark Natal Day Of Anniversary

Celebrating the 23rd anniversary of the founding of the Redwood City Nest No. 1484 Order of Owls, 130 persons gathered Sunday at a chicken and spaghetti banquet at the Foresters Hall.

With Louis Dematteis, deputy district attorney and finance secretary of the club, presiding as toastmaster, speakers representing local Italian organizations and others congratulated the club on its "birthday."

Also on the program were accordion solos by John Baietto.

Fred Paletti, president of the local Owls' nest, extended greetings to the gathering, which was also addressed by Reggente Arighi, Italian vice consul of San Francisco.

Other speakers included Lino Niccoli, assistant cashier of the Bank of America; V. Cocconi, president of the San Mateo Owls' nest, who presented a ring, gift of the local nest, to Attilio Bellomi, past president; Victor Canavese, representing the Italian-Catholic Federation of Redwood City; Calvin Grandi, secretary of the Italian-American Progressive Club of Redwood City; R. Marchi, secretary of the local Liberty Club; Peter Petrucci, delegate of the Italian Family Club of Menlo Park; Professor G. Parentini of San Francisco, state director of Italian schools.

Recorder Rice Tells of Trip East By Plane

County Recorder and Mrs. T. C. Rice have returned from a vacation trip which took Mr. Rice to the East on an airplane trip while Mrs. Rice visited relatives in Los Angeles.

The recorder reported that he visited relatives and friends in New York, Washington, Philadelphia, Kansas City and Sioux City, Ia., seeing his 91-year-old mother, Mrs. Sylvania Rice, in the latter city.

Leaving Burbank airport three weeks ago Saturday at 2:10 p.m., Rice arrived in Newark, N. J., at 9 o'clock the following morning, having made stops at Albuquerque, Amarillo, Kansas City, Indianapolis and Pittsburgh, changing planes and crews three times on the trip.

An enjoyable experience of the air journey, Rice reported, was the flight over Boulder Dam and the Grand Canyon.

Rice reported that while Mrs. Rice was visiting their son, George Kenneth Rice, and his wife in Los Angeles, a daughter, Barbara Ann, was born to the young couple. She is the second child in the family, the first, a girl, being 7½ years old.

Young Rice is a transport pilot.

Territo's Announce Special Beef Week

"Eat More Beef Week" is being held at Territo's Market this week, with extra specials for Friday and Saturday and special features throughout the week.

The largest order of beef that the market has ever had in stock has been secured for the event and a new record is expected to be set, according to Joseph R. Territo, proprietor and Frank Territo of the meat department.

STANFORD MAN FOUND SLAIN NEAR CARMEL

James Fisher's Body Found Under Bridge Along Coastside

PALO ALTO, Oct. 5—James M. Fisher, brilliant 21-year-old Stanford University graduate, was found dead under a concrete bridge on the Carmel-San Simeon highway near Carmel Highland, authorities were notified here today. He was a Phi Beta Kappa.

The youth has been missing since September 30 when he left the Stanford Campus ostensibly to interview a man in San Francisco. His disappearance was reported on Saturday when circulars were sent out by police.

Fisher's body was found after his car was located in a cove along the Pacific Ocean. First reports to police were that a body was seen floating in the ocean. The search failed to produce the reported body, but led to discovery of Fisher's car and then his body under the bridge. He had apparently stood on top of the bridge and fired a shot into his temple, toppling under the structure.

Fisher, who had studied medicine until his work in dissecting bodies overcame him, transferred to the German department, from which he was graduated with honors.

Fisher is survived by his sister, Mrs. Margaret Steadman, now en route to the Orient on a honeymoon trip, and an aunt, Miss Edna Garrigues of Mayfield.

Palo Altan Incurs Pneumonia at Blaze

One more casualty from the Big Basin Pescadero forest fire which is slowly burning itself out after blackening some 9000 acres of valuable timberlands was recorded Tuesday as Cliff Martin, 727 Webster street, Palo Alto, was brought to Community Hospital suffering from bronchial pneumonia contracted while on the fire lines as a volunteer.

Martin fell ill at the Islam Shrine Park Camp, Fire Warden Bert Werder reported. He was brought to the hospital in the county ambulance.

Meanwhile, CCC crews from Big Basin and Big Sur continue to "mop up" the blaze, now completely under control, Werder said.

Burglars With Truck Loot Campus Houses

PALO ALTO, Oct. 6.—Burglars who must have used a truck to haul away their loot, broke into two Stanford campus cottages over the week-end and removed clothing and valuables worth more than $1000.

Victims were Elinor Kahn, graduate student, 583½ Salvatierra, and John B. Sumner and Perry Moerdyke Jr., 659 Salvatierra. Heaviest loser was Miss Kahn, who reported loss of clothing and furnishings valued at more than $540.

BEAUTIES OF COUNTY TOLD TO ENTIRE WEST ON RADIO

To the entire west in music, song and poetry were extolled the beauties and virtues of San Mateo county and its cities Monday when California's Hour, featuring six peninsula acts, saluted San Mateo county and its coming Products and Floral Fiesta over an hour's radio program originating in Los Angeles.

Winning highest praise from the famed movie star, Conrad Nagel, as master of ceremonies, was Mrs. Mae Walford's playing of Elves Caprice and Midnight Dance on the Hydro-daktulo-psychic-harmonica, consisting of water tumblers, invented by the husband of Mrs. Walford, Redwood City resident.

"An amazing exhibition," broke in the enthusiastic Nagel in the middle of the rendition. "A most fascinating and artistic exhibition," he declared at the end, as the 1200 people in the studio applauded the program, given from a San Mateo county chrysanthemum banked stage.

Over the air Mrs. Walford explained that the name of the instrument was obtained by hydro for water, daktulo for fingers, psychic for the sweet tone, and harmonica for harmony.

Also appearing from Redwood City, closing the program, was Hugh Boyes' trio, composed of Boyes, music store employe, on the piano; Virgil Evans, violin, and Clifford Evans, guitar. Their popular number was "Nobody's Sweetheart Now."

The Melodettes, colored girls' quartet from San Mateo, sang a spiritual, "Mary Don't You Weep No More"; Malcolm Grayson, baritone, who already has a trip to New York coming to him as the result of another radio contest and plans when he gets there to "ride in the subway and go up in the Empire State Building," according to his conversation with Nagel, sang "When I'm With You"; Mrs. Martha Kingstone, Burlingame soprano who was raised on the eastside of New York and knew Eddie Cantor, Fanny Brice and other now famous actors personally, sang "A Yiddish Mamma" in Jewish dialect, and Norma Letroadec, Burlingame music teacher, played 'The Swan" on the 'cello.

NORTH FAIR OAKS DANCE PERMIT PLEA REJECTED

30 Residents of Area Oppose 'Night Club' Near Garfield School at Supervisors' Hearing at Courthouse Today

Heeding pleas of some 300 residents of the district, the county board of supervisors voted unanimously Monday to reject the application of W. E. Biggerstaff of 941 Main street to establish a "night club" in the Silverstein Building at Sixth avenue and Middlefield road, North Fair Oaks district.

The decision, delayed from last Monday for Biggerstaff to submit an amended application, came after presentation of more petitions protesting establishment of the "Melody Club" and after two residents of the area had spoken against it and Atty. John E. Manders, representing Biggerstaff, had urged granting of the permit.

In action of the board, taken on motion of Supervisor John Poole and second of Walter High, observers saw a precedent established which will keep all such places from the area.

Biggerstaff, with his amended application, revealed that he planned a 16- by 18-foot dance floor in the building, on which dancing would be allowed between 10 a. m. and 2 a. m. daily.

Charles Meinert, representing the North Fair Oaks Improvement Club, was first to speak, declaring that the organization was not opposed to grocery stores or other similar business coming into the area, but that it was opposed to dancing where liquor is sold. He also declared the building proposed to be used would not be safe from fire hazards if used as a club.

R. M. Gordon, real estate dealer in the district, also protested, telling the board the establishment was within 450 feet of the Garfield school and within 100 feet of the home of 10 children. Because of limited police and patrol protection in the unincorporated area, Gordon declared he believed it unwise to allow such establishments.

Attorney Manders urged that his client's application be granted. "It is his legal right to run a business if it is legal," he maintained. "If it later is not conducted as it should be, there are plenty of laws to close it."

He declared that there was no evidence—only suspicion—that anything out of the ordinary might occur in the club.

"There is just a lot of narrow-mindedness going on here to stop a legitimate business," he charged, referring to other districts where such clubs are allowed and declaring that action of the board in refusing the permit would be discretionary.

However, Asst. Dist. Atty. Daniel Sullivan, advisor to the board, ruled that the supervisors were within their rights in considering each application for such establishment separately.

After Supervisor Albert Witt Jr. had tried to stall the matter by referring it to County Manager Walter Kellogg for a recommendation, Supervisor Poole moved rejection of the application, declaring that he "proposed to do as the majority of the people in my district want me to do."

"If it is the wish of the majority of people that they do not want the establishment, it should not be built there," he asserted.

Prolonged applause from the 30 or more people who had attended the session to hear discussion and action on the application greeted the board's unanimous rejection of the permit.

5000 Pay Visit At Golden State Plant's Opening

Between 4,000 and 5,000 persons attended the "open house" of the new Golden State Company Ltd. plant at North Palo Alto Sunday, according to M. I. Piers, peninsula division manager.

The attendance was estimated upon the free distribution of 8,000 cartons of ice cream and 2,000 half pints of milk in the 4-hour inspection period.

Full operation of the new plant and equipment is expected by Wednesday. After that time the plant will be in a position to accommodate additional individual groups of visitors.

Exchange Hears Talk On 'Y', Sees Movies

Colored moving pictures that he took in Yosemite Valley were shown Tuesday by Colin Stokes to his fellow members of the Exchange Club meeting at the Sequoia Hotel.

Also on the program was a short talk by Perry Bygdnes, local bank official, on the coming annual drive for funds to be staged by the Y.M.C.A. Chairman of the program was Wilbur Doxsee; President John Garland presided. Chairman next week will be James Eva.

CYCLISTS HIT BY CAR

SAN MATEO, Oct. 7.—Knocked from their bicycles by the machine of Leo J. Alcorn of San Francisco, Robert Rogers, 13, and Egidio Andieozzi, 15, both of San Mateo were so severely bruised early today that they required medical treatment at Mills Memorial Hospital.

Chamber Seeks Final Pay-up on Pledges

Request to chamber of commerce members to pay up their pledges for the final quarter so that financial reports at the annual meeting in January will not show unpaid balances, was made today by the directors. Directors conferring late Tuesday found a balance of $366 on hand, and $800 outstanding.

The chamber voted support of Proposition No. 4 to permit slant drilling to preserve California beaches and to win revenue for the state from the oil pools.

R. L. Polk & Co., directory publishers, notified the chamber that a survey is now underway to test sentiment as to support for a 1937 directory. The directory is held badly needed.

MENLO PARK NEWS

About 50 citizens of Menlo Park attended a meeting in the city hall Monday evening to form a water district. J. H. Sullivan, in a lengthy speech, explained ways and means of organizing the district and the great need of water in the section. He was authorized to appoint a committee of 10 to take charge.

Mrs. C. A. Devol was hostess to the Army and Navy Women's Club of Palo Alto Wednesday afternoon at her home on Santa Cruz avenue. This was the first meeting of the new club year.

Mr. and Mrs. Leroy Nickel have returned from New York. While there Mr. Nickel consulted a specialist for an eye affection.

Mary Elliott, aged 3, daughter of Mr. and Mrs. Elliott, Burlingame, and niece of Miss Hannah Lane, Menlo Park, passed away last Friday. The child fell from a tree at her home and suffered injuries from which she died.

The mortal remains of John J. Doyle were laid way in the family vault in Holy Cross Cemetery here on Tuesday. The deceased passed away at his home in Long Beach on October 2 after a short illness.

Mr. Doyle was born in San Francisco but came with his parents to Menlo Park as a youth and lived here until his departure many years ago for Southern California, where he was engaged in business. Mr. Doyle was a graduate of Santa Clara College and for a time attended the Brewer School in San Mateo. The institution was closed over 25 years ago. Mr. Doyle was the oldest son of the late John T. Doyle, dean of the state bar a half century ago.

He was considered the ablest lawyer of his time and figured prominently in the settlement of the early land grants held by wealthy Mexicans. His greatest achievement was the settlement of the Pious Fund case against the Spanish government that was in the courts for over 20 years and was finally concluded at the Hague in favor of the late Archbishop Riordan for several million dollars The story of the celebrated law suit is told in a book written by Mr. Doyle some time before his death.

He was a far-sighted attorney as will be observed in his transaction with the builders of the railroad down the peninsula. Doyle owned land in Menlo Park over which the tracks were to be constructed. In the right-of-way agreement, Doye inserted the clause the property was to revert to him or his heirs after 50 years, the completion of the franchise. This was the only deed to property given to the railroad company on the peninsula containing this clause. After the lapse of 50 years, a suit was commenced by the Doyle heirs against the Southern Pacific Company. A large sum was recovered. Doyle died only a short time before the litigation started. The man who was buried on Tuesday was among the heirs who received the money.

Mr. Doyle is survived by two brothers, Mr. Edmund Doyle, Menlo Park, and Mr. W. T. I. Doyle, manager of the Shell Oil Company in South America. He is a lawyer and represented his father in the Pious Fund case at the Hague. He is named after General Sherman, who was a schoolmate of the older Doyle.

Mr. and Mrs. Van Crego left Menlo Park over the past weekend on a delayed wedding trip to Los Angeles, traveling by motor. Mrs. Crego was Miss Edith Nicola. The couple will visit Mrs. Crego's sister, Mrs. Charles Knudler of Los Angeles, and her mother, Mrs. C. Minetti of San Luis Obispo. They will travel the valley route and return the coast route.

Mr. and Mrs. Van Crego were married three weeks ago, but business delayed the trip usually made immediately after the ceremony.

Council Orders Foreclosures On 1915 Debt

Barroom Decorations, Dancing Regulated By Ordinances

Foreclosure proceedings under the city council's plan to start the clearing up of the $425,000 1915 bond act debt situation were ordered taken by the council Monday night against 67 lots owned by the Lenolt Corporation.

City Attorney Albert Mansfield was instructed by motion of Councilman James Eva and second of Councilman William Hohn to immediately institute proceedings in the superior court to acquire the 67 parcels.

Lots owned by Lenolt are situated in Jefferson Acres, New High School Acres, Central Park and other distircts of Redwood City.

Meanwhile, the council discussed two possible courses for refunding the estimated $425,000 debt, for which voters in September, 1935, approved a bond issue, which the supreme court recently voided by declaring the 1915 Municipal Bond Investment Act under which the city proceeded unconstitutional.

Mayor Paul McCarthy and City Attorney Mansfield discussed a possible substitute program for a bond issue, in which discussion J. C. Youngberg, San Francisco fiscal expert, took part. It is expected that another bond issue, possibly for a lesser sum, will be submitted to voters here within another year.

DANCING BEFORE BARS IN TAVERNS BANNED

An ordinance forbidding dancing in taverns and restaurants in the room in which the bar is situated was introduced by the council on motion of Councilman Robert Jones and second of Councilman James Eva. Liquor may not be taken into the separate room in which the dancing is allowed.

★ ★ ★

PAPER DECORATIONS BANNED FROM CEILINGS

The council also introduced an ordinance forbidding the use of paper stringer decorations in cafes and taverns, in order to avoid tragedies similar to the Club Shamrock fire in San Francisco. Decorations of this type must be of inflammable materials. The ordinance was introduced by motion of Councilman Eva, seconded by Councilman Jones. Fire Chief Mark Ryan will pass on the safety of decorations.

Baby zebras can run almost as fast as their parents a few hours after birth.

Passengers in the smoking compartment on my train were arguing about why railroad business is picking up.

•

A factory owner said it was because of Free pick-up-and-delivery of less than carload freight. The railroad calls for the LCL freight at shipper's door and delivers it to consignee's door.

•

A traveling salesman said it was because so many passenger and freight trains now run on faster schedules.

•

There was a school principal in the group and he said it was because train travel is so much cheaper for passengers. He said passenger fares are at the lowest point in history, with substantial reductions if you buy a round-trip ticket—and no more surcharge for riding in sleeping cars.

•

One man, a farmer, said he liked something he could depend on, that's why he was traveling by train.

•

Another man, a newspaper reporter, said people were in favor of railroad travel because it is by far the safest. He quoted a lot of statistics from a book called, "Live and Let Live."

•

A banker we all know by name said railroad tax payments mean a lot in this state.

•

We are proud of railroad achievements, appreciate the public's good will and increased patronage, and pledge continued progress.

Citizens' Group Furthers Study On Hetch Hetchy

MENLO PARK, Oct. 6—Fifty members of the Menlo Park Citizens' Committee met in joint session with the planning commission here last night and following a recital of the ways and means of obtaining Hetch Hetchy water for the city, authorized Chairman J. H. Sullivan to name a fact-finding board of 10 to study the problem further.

James T. O'Keefe Jr., city attorney, reviewed the legal aspect surrounding the problem, and recommended the application of a California act of 1933 if decision was made either to purchase the existing distribution system or to build anew. Use of the 1933 act, which operates in conjunction with the Federal Reconstruction Finance Corporation, would necessitate action before August, 1937, its expiration date, O'Keefe said.

Chairman Sullivan introduced before the meeting samples of water pipes obtained in the vicinity, badly corroded, he asserted, by mineral deposits from the local water supply.

A. F. Poulter, manager of the Bear Gulch Water Company, arose in the meeting to contend that its corrosive action on piping was no test of impure water, since, he declared, "Soft water is much more corrosive than hard water and Hetch Hetchy water would be more injurious to your pipe system than the present supply."

John J. Connolley Passes in Hospital

John Joseph Connolley, 61, native of Boston, Mass., and a resident of Redwood City for the past 17 years, died at a San Mateo hospital Tuesday after a period of failing health. He was a carpenter by trade, and held membership in San Pedro Elks' Lodge.

Mr. Connolley is survived by his widow, Blanche, of Redwood City; a son, J. Leslie Connolley of Reno, Nev.; a brother, Frank J. Connolley of Waseca, Minn., and a sister, Mrs. Elizabeth Cody, North Weymouth, Mass.

EXPOSED!

A New Scheme to Raise Prices by Taxation

You would pay for the cleverly-disguised "Retail Store License"... in higher prices for foods and other necessities of life.

DON'T be fooled by Proposition #22 on your November ballot.

By name, it is made to sound like a simple store license. Actually, the public, as usual, will bear the whole burden—*through the higher prices you will pay.*

The measure proposes this: Charge individual stores $1.00 a year for the right to do business. *But tax chain stores $500.00 for each store, over nine.*

The "joker" in such taxes is exposed by the U. S. Federal Trade Commission, which says:

"If the ability to undersell, based on greater efficiency or on elimination of credit and delivery cost, is destroyed by taxation, it is the consuming public which will really pay the tax and not the chain."

Why? Because chain stores operate on a small profit. They eliminate middlemen's profits and unnecessary in-between expenses. The savings they make are passed on to you in *prices 10% below the average.* The Harvard (University) Bureau of Business Research states these to be the facts.

Thus four out of five chain stores do not make enough profit to cover the tax. They must raise prices. And that means you will pay.

Some chains will be forced to close. Their competition gone, other stores will be free to boost their charges. And *that* means you will pay.

The tax is admittedly *not* for revenue purposes. It *is* a scheme to raise prices by taxation—to subsidize wasteful business methods at your expense.

If you agree that chain store competition helps to keep *all* prices reasonable—if you agree that taxes on foods and necessities are already high enough—*vote NO and keep prices low.*

For, stripped of its misleading name and its involved wording...*22 is a tax on you*—VOTE NO!

22 IS A TAX ON YOU—VOTE NO!

22	**RETAIL STORE LICENSE** Referendum against act of Legislature (Chapter 849, Statutes 1935) requiring every person or organization owning, operating or controlling one or more stores, wherein merchandise is sold at retail, obtain annual State license; prescribing fifty cents application fee for each store and one dollar license fee for one store, increasing license fee progressively for second and additional stores to five hundred dollars for each store over nine; excepts filling stations, ice distributing establishments, restaurant facilities of common carriers, newspaper offices, stores wherein sales are incidental to rendering personal service, theatres and motion picture houses. Lie Detectors' Uses Described To Toastmasters

Three recent inventions now being widely used in criminology but as yet unrecognized by the courts were described to the Toastmasters' Club Monday in a practice talk by Louis B. Dematteis, deputy district attorney.

The instruments are the lie detector, which operates from blood pressure of victims; the cycle galvanometer, which sends electric current through the suspect's body, and "truth serum," which, when injected into his body, supposedly causes a prisoner to tell the truth even to the extent of remembering things previously forgotten.

Other talks were by Mark Nesbit, "Tales and Tails," in which he likened speeches to animals' tails; by B. E. Myers, who discussed the coming Y. M. C. A. finance campaign; and Earl Whitaker, "Flat Tires I Have Known," in which he considered types of people as compared to automobile tires. George McQueen was toastmaster.

La Honda Ranch Hit By Mysterious Fire

Threatening at first to cause another major blaze, a fire Monday destroyed the barn and outbuildings on the La Honda ranch of Leo A. Eseloses, 5486 Mission street, San Francisco.

Besides burning the barn, nine tons of hay, a dozen sacks of oats, and lumber, and destroying a tractor and farm tools, the blaze ignited a nearby dead forest of tanbark oak, wild laurel and buckeye, county firemen, who fought the blaze for six hours until 7 o'clock, last night, reported. About a quarter acre of land was burned over.

Eseloses said that damage would approximate $7000, of which $500 was covered by insurance.

'Y' to Honor Founder Here

Local Meeting Slated For Friday Evening At High School

More than one million members in all sections of the United States and Canada are planning to honor the founder of the Young Men's Christian Association on October 11, the 115th anniversary of his birthday. The "Y" movement was started by George Williams in London in 1844.

The local "Y" is planning a public dinner on Friday evening, October 9, at the Sequoia high school, as a Founder's Day celebration and initial meeting for the annual "Y" Friends and Funds Week.

National radio broadcasts by outstanding religious and educational leaders will also be a part of the celebration.

Next Sunday members of the local Toastmasters Club will speak on "Y" boys' work in the churches.

The local "Y" will do honor to the founders of this association. Special recognition will be given to these men who through the years have been responsible for the progress of the association in local communities.

SHERIFF McGRATH RETURNS

Sheriff James J. McGrath, who has been spending his vacation in Southern California, returned to his duties here Monday.

20 Horses Saved As Stables Scene Of Fire in Hay

SAN CARLOS, Oct. 5.—Twenty tons of hay belonging to Fred Alexander, who operates the Alexander Riding Stables on Phelps road, went up in smoke early this morning.

John W. Rutherdale, realtor, was awakened at 20 minutes to three by the crackling of the hay and turned in the alarm.

Police Officer Joseph Gravance on his night watch rushed to the scene of the fire and assisted in leading to safety 20 valuable horses from the stables located within 50 feet of where the 150 bales were aflame.

The quick response of the San Carlos Fire Department avoided loss to the stables, and the fire was confined to the hay. The firemen under the supervision of Fire Chief Edward J. Wheeler remained at the scene of the burning hay until 8 o'clock this morning when many of the firemen had their breakfast and rushed off to work.

Felton Gables Tract In Menlo Park Sold

Sale of the Felton Gables tract in Menlo Park, one-time home of the late Senator Felton, by Arthur M. Brown, San Francisco insurance executive, to Jerome Draper, Burlingame real estate broker, was revealed here when the deed was filed with Recorder T. C. Rice. Consideration, according to federal revenue stamps attached, was $52,000.

M. P. Autoist Avoids Man Later Injured

John Costa of 1048 Middle avenue, Menlo Park, nearly upset his machine near Mountain View Monday in avoiding a pedestrian, but the walker, despite his close brush with death when Costa missed him, later was hit by another car, driven by F. K. Fujii, 33, Saratoga. As a result, Lee Vaughn, 53, Mountain View, the pedestrian, was critically hurt as he tried to cross El Camino Real.

Hogs Die in Transit; Owners Sue Railroad

For a shipment of hogs "lost" in transit when 204 out of 221 contracted pneumonia and cholera and died, F. L. Washburn and J. W. Condon of Texas have brought suit in superior court against the Southern Pacific Company for $2073.09 damages. Atty. J. W. Coleberd filed the action, which charged the railroad with negligence in handling the stock, being shipped last April from El Paso to South San Francisco.

LUMBER INJURES MAN

H. E. Bickell, 34 Park boulevard, Palo Alto, suffered a scalp wound Monday when he was struck on the head by a falling timber at the Progress Lumber Company here. Bickell was treated by Dr. Harry E. Mason.

5 Autoists Face Drunken Driving Accusations Here

San Mateo county authorities reaped one of the largest crops of alleged drunken drivers over the past week-end ever reported at the county jail.

Facing misdemeanor charges of violating Section 502 of the vehicle code are W. L. Dinsmour, 69-year-old San Francisco real estate salesman arrested in Colma by patrolmen, still in jail this morning in lieu of $100 bail; Hiram Alsinger, 23, Colma gardener, apprehended at Baden by patrolmen, still in jail this morning in lieu of $100 bail; Arthur Savage, 44, San Francisco steward, also cited by patrolmen and in jail this morning; Edgar Clark, 37, cook at the Veterans' Facility in North Palo Alto, arrested by Capt. Paul Perussina, still in jail today; Kenneth McLeod, 61-year-old Redwood City carpenter, arrested in Redwood City by local police at 7 p.m. Saturday and later released on bail after his machine had collided with the car of Macario Roldan, 132 Cypress street, Redwood City, on the Woodside road near Valota road.

Facing reckless driving charges are Harold Childs, 38, San Bruno, and Crawford C. Oliver, 31-year-old waiter. The latter was returned from San Francisco to face charges before Police Judge Edward Ryan of Menlo Park. Childs was cited on the highway by patrolmen.

I got my name in the paper!

ONLY NEWSPAPERS BRING THE NEWS OF VITAL INTEREST TO YOU

Headlines may scream of death and disaster without causing you to raise an eyebrow. But if your son gets his name in the paper—that's real news!

It isn't by accident that this paper prints so many stories which vitally interest you. For this newspaper was edited for you and your neighbors. News of remote places is cut down; the facts are stated briefly. Local news is covered fully, because all good editors know that the news which interests the readers most is news about themselves.

This is Newspaper Week. It's a good time to learn more about this newspaper which is made especially for you. Just for fun ask yourself this question: How could we get along without newspapers?

Menu Flashes by Joan Andrews

With pumpkins ripening on the vine and Hubbard squash making its debut in the markets, we can't deny that fall has come and winter isn't far behind. As a main course sometime soon try serving sirniki, baked Hubbard squash, and buttered green beans. You make sirniki by combining 1½ pounds of cottage cheese with 2 eggs, 2 tablespoons of flour and 2 tablespoons of sour cream. Season to suit yourself. (A dash of nutmeg helps.) Shape into little cakes and sauté in butter. Then serve them hot, with sour cream.

Golden State Cottage Cheese gives you the best results. It's wholesome and delicious, with a refreshing, creamy flavor. The Golden State Company will supply you with a rich sour cream of just the right flavor and consistency to serve with sirniki, too.

Get Rid of Excess FAT with this SAFE DRUGLESS Treatment

Do you feel as though you have a rubber tire around your stomach? Do your fat arms distress you? Is your face pudgy looking because of surplus flesh? Does that layer of fat across your back and shoulders classify you as "fat and forty"? If so, you'll be interested in WATE-OFF, the pure vegetable tablets for weight reduction. WATE-OFF is guaranteed safe and harmless, and yet is amazingly effective, as testified to by thousands of users, many of whom gratefully report reductions of 5 pounds a week and even more, and with great benefit to their health and general well-being. WATE-OFF is a compound of pure vegetable matter and herbs. It is absolutely free from drugs and so guaranteed. It contains no dinitrophenol or other dangerous drugs—no reducing salts or other harmful laxatives that physic the system and leave the skin loose and flabby. WATE-OFF, on the contrary, enables you to take off weight—gently—gradually—without the slightest harm or danger. Instructions say: Take 3 or 4 tablets a day, before meals, then eat your hearty fill. "Results," say users, "are simply amazing." Unsightly fat seems to melt away like magic, leaving no saggy, flabby skin or broken-down tissue. You've seen WATE-OFF advertised in Pictorial Review, Physical Culture and other leading magazines at $2.45. Now we offer it to you for only $1.19 with the understanding that if you are not satisfied with the results, you have the privilege of returning the empty carton and we will return your money.

CLEAN FALSE TEETH NEW EASY WAY

NO Brushing—Recommended By Dentists Approved By Good Housekeeping Bureau

Just drop a little Stera-Kleen powder in a glass of water. Leave your false teeth or bridges in it while you dress or overnight. No need to brush. Simply rinse and your plates are fresh and clean—clean where the brush can't reach.

Stera-Kleen removes blackest stains, tar, film and tarnish. Ends bad taste and smell. Makes dull teeth look like new—smooth, cool—comfortable. The discovery of Dr. L. W. Sherwin, eminent dentist. Approved by Good Housekeeping.

65 Attend Bourbon Committee Session

Sixty-five enthusiastic Democrats attended Tuesday's meeting in San Mateo of the newly-elected county central committee to hear addresses by James Jones of Burlingame, representing the Railroad Engineers; Councilman Allen J. Ward of Burlingame, and Congressman John J. McGrath, who answered a radio attack made earlier in the evening by Charles H. Spinks, life-long Los Altos Jeffersonian Democrat who supported McGrath and President Roosevelt in the last campaign but has now turned to the Republican ticket.

Next meeting of the committee will be October 14, Publicity Director Eugene Barrett announced, with the meeting place to be decided upon later.

In 1860 Mark A. Carter erected a monument at Cartersville, Ga., in honor of 38 friends who had endorsed notes for him.

GOOD LIGHT never was so cheap!

Reading music and reading books are much alike in their demands upon the eyes. Those wrong notes or passages that seem difficult may be due to insufficient light, rather than inattention. Practice becomes easier when eyes do not have to squint and foreheads wrinkle. Good light at the piano is as important as good light for reading or study. Insufficient or wrongly placed light is often the beginning of eyestrain. Good light makes all eye work easier and practice more enjoyable and more effective.

Science has now determined how much light we need to see easily and comfortably. It has also made a device, the Light Meter, which measures your lighting in a jiffy. You see for yourself the story of your lighting on a dial, as you read the story of temperature on a thermometer. How does your home lighting measure up? We will be glad to show you. There is no charge for this light testing service.

NOTICE OF TRUSTEES' SALE

On Wednesday, the 4th day of November, 1936, at 10:00 o'clock a.m., at the front door of the County Court House in Redwood City, San Mateo County, California, ASA E. HULL and C. M DOXSEE, trustees, said C. M. Doxsee having been substituted as trustee in the place of J. L. Ross, deceased, will sell at public auction to the highest bidder for cash in lawful money of the United States the following described real property situate in the County of San Mateo, State of California and known and described as follows, to-wit:

Lots numbered twenty-three (23) and twenty-four (24) in Block numbered one (1) as shown on that certain map entitled "Amended Map of the Oaks, Redwood City, Calif." filed in the office of the county recorder of San Mateo County, August 5, 1919, in Book 10 of Maps at page 21, to which said map and the record thereof reference is hereby made and the same made a part hereof.

Said sale will be made to satisfy the obligation secured by and pursuant to the power of sale conferred in a certain deed of trust executed by GEORGE MONCRIEFF and SAMUEL MONCRIEFF, single man, as trustors, to ASA E. HULL and J. L. ROSS as trustees for San Mateo County Building and Loan Association, a corporation, as beneficiary, dated September 10, 1929, and recorded in Volume 440 of Official Records, page 498, San Mateo County Records; that trustors have made default in the payment of principal and interest on said deed of trust and the promissory note secured thereby and in the payment of taxes on said real property, which default still continues.

Notice of breach of said obligation and election to sell said real property was recorded on June 24, 1936, in Volume 696 of Official Records, at page 279, said San Mateo County Records, and more than three months from the date of the recording of said notice of default and breach and election to sell have elapsed.

This notice is given in compliance with the demand heretofore made on said trustees by San Mateo County Building and Loan Association, a corporation.

Dated: October 6, 1936.

Frederick S. Parker Dies Suddenly Here

Heart trouble, for which he had been under physicians' care, late Monday took the life of Frederick S. Parker, 75, retired railroad construction engineer, who was found dead in bed at his cottage at 338 Spruce street.

Coroner's officers said that a routine inquiry would be held but that there was no doubt that the elderly man had died of natural causes. He had lived here for the past four years.

A native of Bloomington, Ill., Mr. Parker was the husband of the late Jeannette G. Parker, who died in the East in 1901.

$44,500 Property Sold in Burlingame

Another large real estate deal for Burlingame was revealed here today with filing of the deed with Recorder T. C. Rice. It covered transfer of business property on Burlingame avenue near Primrose, two doors from the Peninsula Theatre, from Michael and Murray Zobler to Edward R. Martin. Consideration, according to federal stamps affixed, was $44,500.

Cotton price adjustment payments to North Carolina farmers amounted to $1,543,718 on August 20, according to agriculturists at North Carolina State College.

PAYS LOCAL MAN $150.00

Mr. Joseph H. Bergmans, 449 Jackson Ave., Redwood City, receives $10 weekly indemnity for 15 weeks from his Tribune Subscriber's Insurance Policy, which cost him $1

Mr. Bergmans says, "Tell the company I am more than pleased the way this matter has been handled . . ."

HERE IS A COPY OF THE LETTER RECEIVED BY THE TRIBUNE

March 27th, 1936

Redwood City Tribune,
Redwood City,
California.
Gentlemen:

Re. Joseph H. Bergmans,
No. 8137039
448 Jackson Ave.,
Redwood City, Calif.

On January 1st, 1935, you issued policy No. 8137039 to the above party.

On November 15th, 1935, Mr. Bergmans was struck by an automobile while crossing the street, and sustained a fracture of the spine, lacerations to scalp, and general bruising. He has been totally disabled all this time.

We have been paying indemnity every four weeks on account of this accident, $120 having been paid to date. Today, the final payment of $30 additional was made, a total of $150, the company's liability in this case, covering 15 weeks indemnity at $10 per week.

Yours very truly,
DUNSCOMB-LUTHER,
Pacific Coast Managers.
